I, Mikko Bojarsky, declare as follows:

1. I am over the age of 18. I have personal knowledge of the facts contained in this declaration, and if called as a witness, I could and would testify competently thereto.
2. At the time of the Tubbs fire, my wife and I owned and lived in a home in Coffey Park in Santa Rosa, CA with our pets.

- 1 3. At 2:30 in the morning on the day of the Tubbs fire, I was awoken by my wife.
2 Outside, we saw what we thought were propane tank explosions, and it looked like a
3 fire storm. We heard a police officer on a bullhorn telling people to evacuate while
4 risking his life to keep us safe. We had 5 minutes to gather our pets and leave. We
5 were stuck in stop and go traffic while evacuating.
- 6 4. Our home was completely destroyed in the fire. We are intending to rebuild but it is
7 taking time with our insurance.
- 8 5. I have been on the phone with various adjusters from my insurance company over 10
9 times, and they have never told me that they are filing a claim with PG&E for my
10 losses in this bankruptcy. They also never told me about my rights to file in this case.
11 This is frustrating because we are underinsured for our losses.
- 12 6. I do not recall receiving a notice from PG&E about my rights in this bankruptcy. If I
13 did, I assume I thought it was junk mail and threw it away. When I heard about filing
14 a claim, I went online to PG&E's website to learn more about it. It took me a while to
15 find the claims form on the website, and the form itself was very confusing.
- 16 7. I had no idea that insurance companies had settled with PG&E on the Tubbs fire. This
17 is confusing to me because I thought that Cal Fire had stated that PG&E had no
18 liability in the Tubbs fire. I recently found out that not only did the insurance
19 company submit a claim for Tubbs cases, but they also settled them.
- 20 8. I am afraid that others like me do not know about their rights to file a claim in this
21 bankruptcy. I myself had no idea I could recover my losses from PG&E until a friend
22 told me about my ability to file a claim a few weeks ago. I recently talked with a
23 former neighbor and a colleague at work, and they did not know they could file a
24 claim. I am amazed that so many people have no idea this is going on, and I hope that
25 more people who have lost their homes like me can have an ability to file a claim in
26 this bankruptcy.

1 I declare under penalty of perjury that the foregoing is true and correct. Executed this
2 6th day of October, 2019 in Forestville, California.
